ALL 4 ONLY $1

Just picture these irresistible puppies in your own home. Everyone who sees these appealing waifs fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly puppy. Under his sensitive brush, the wonder of puppyhood and the realistic backgrounds combine to give a compassionate glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11" x 14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.

WALT DISNEY COMICS DIGEST — it's big entertainment in the handy pocket size.

DARK SHADOWS FROM THE PAST RETURN TO HAUNT BARNABAS COLLINS

STARS ALIVE!

J. J. is on an astrology kick and she won't let the Governor make a move until the stars are right. All of which puts the Governor on the spot because he has to make a decision NOW but the stars say NO. For further developments, tune in on next month's issue of THE GOVERNOR AND J. J.

MICKEY AND PLUTO

Where there's a bone, Pluto can't be far behind. But where there's a **talking** bone, Pluto gnaws what's best for him. It's **The Case of the Talking Bone** in Walt Disney MICKEY MOUSE next month.

HARSH JUSTICE

The trial is swift, the verdict is merciless and Judge Colt becomes the most hated lawman in the Territory. In the next JUDGE COLT — an action-packed story with a smash surprise ending!

FLYING HIGH!

Dastardly and Muttley, those villainous cut-ups, are at it again in their flying machines, and that means more Hanna-Barbera fun in their latest frolic, FUN-IN.

TV FAVORITE IN NEW THRILLER

Trapped on Collins Isle for two hundred years, a sinister creature of the night plods toward Collinwood. Within, a dinner party is in progress and the guests offer a toast, "Long life to Barnabas!"

But the creature outside waits to destroy Barnabas — and all who bear the Collins name! Don't miss the new issue of DARK SHADOWS with Barnabas Collins in his greatest — and most terrifying role.

TRUE DEMONS AND MONSTERS

You'll find them in next month's RIPLEY'S BELIEVE IT OR NOT!, another fascinating collection of true spine-tinglers.
